KERRY MARIE GETS SOME PRODIGIOUS PUPPY LOVE

Dear *Voluptuous*,

For all the years that I have been reading your magazine, one girl in particular has caught my eye. She's really made my heart rattle and blood boil whenever she's been on your cover. I would give most anything to be with her. Her name is Kerry Marie.

Every time I see her, I imagine something new I want to do with her. I can play acoustic bass pretty well, and recently I've fantasized about singing her a song while she sat naked in front of me, her lovely black hair falling over her robust cleavage.

Now, Kerry isn't the only great model I've enjoyed seeing in your magazine. Nicole Peters and Marilyn Sakova are two of the sexiest women I've ever seen, on paper or in person.

But it's Kerry that has melted my heart more times than I can remember.

Kerry Marie's beautiful breasts have many guys willing to heel and beg.

What would make Brandy's tits even better? Sliding your dick between them!

She really does seem to be the down-to-earth type who would appreciate a guy like me. I'd become her little puppy dog, if you know what I mean!—R.A., Newark, New Jersey

BRANDY'S TALORE-MADE FOR TITTY-FUCKING

Dear *Voluptuous*,

I just received my February '09 V-Mag, and I was totally blown away by the array of busty babes you featured.

Karina Hart's first tit-fuck was absolutely amazing. To see that giant cock lodged between her H-cups was truly amazing. Karina is, without a doubt, one of the most beautiful V-Girls you've ever had. She is every tit-lover's dream.

While Karina was awesome, Brandy Talore was stunning. I love her so much that I have tried to purchase every DVD she has been in, and the ones I have I watched over and over. I just ordered her newest DVD, *Rack Riders*, and I can't wait to watch her give another one of her great titty-fucks. The only thing better is when she fucks. She gives the greatest facial expressions when she's getting it deep in her pussy.

The pictorial with her was long overdue, and she looks tremendous. That seemingly innocent smile, those huge fucking triple D-cup tits with the pointy-and-always-suckable nipples and a cleanly shaved pussy make her one of the most jackable girls I've ever seen in any magazine or movie.—K.B., Albuquerque, New Mexico

LOVES TO SEE A GIRL WITH PLENTY OF PEARLY WHITES

Dear *Voluptuous*,

As a longtime subscriber, I've been intrigued lately by letters debating whether or not V-Girls should smile. I would like to share my opinions.

Personally, I favor a smiling model. For example, Simona's debut in the October '08 issue was incredible due not only to her outstanding figure but also the confidence and ease displayed by her ever present smile. Her last photo features a sensuous look as she suggestively licks her upper lip. I hope we see Simona and her

Janet Jade is proof that tits and teeth go well together.

smile back real soon.

Janet Jade's remarkable figure is enhanced by her joyful smile and great eye contact with the camera. However, in other photos, her sultry gaze and open mouth are very provocative.

Merilyn Sakova has always had a serious feel to her pictorials. However, lately she has begun to smile, which shows she is happy to pose for our viewing pleasure. So ladies, keep smiling!-J.Z., via e-mail

GIRL-GIRL SPREADS ARE ALWAYS GREAT-GREAT

Dear *Voluptuous*,

Wow! What an incredible last few months you've served up. The January '09 issue was incredible. I never realized how hot London Andrews and Danesha Marquel were until I saw them in that issue. Marille and Amber Lee both had me standing stiffly to attention and oozing in aroused appreciation. Those are some sexy ladies, and their pictures had me cumming again and again.

The highlight of February '09 had to be seeing Alexis Silver again, plus the Karina Hart calendar.

But the real reason I am writing is to

respond to the girl-girl debate started in February '09's "V-Mail." I'm afraid I will have to infuriate A.H. even further by requesting even more of them.

Yes, it's great to see a hot, busty beauty sucking for all she's worth on a huge, throbbing cock. But there's also nothing quite like seeing two or more voluptuous vixens coaxing each other to ecstasy with tongues, fingers and toys. If the girl-girl is genuine and the photos convey a real intimate enjoyment of the girls involved, together with that special voyeuristic ambience, there's nothing better.

I would love to see more girl-girls. If I could think of a dream lesbian matchup, I would have April McKenzie and Janet Jade hooking up for a passionate 69. It's the stuff wet dreams are made of.-C.J., Yorkshire, England

KEEP THOSE PREGGERS COMING AND CUMMING

Dear *Voluptuous*,

I've been reading V-Mag for over 15 years, and I would like to offer my opinion about whether or not to have preggers do pictorials.

I used to buy other magazines that

No one can disagree that, like with Annie Swanson and Ana, more is always better.

ENTER **V-MAG'S SCREENWRITING** CONTEST

WIN \$1,000 IN PRIZES

Dear Voluptuous,

I've been reading a lot of your magazine lately, and I want to assemble my own dream team for what I think would be the hottest DVD ever. I would want to call it "The Ultimate Threesome" and have the following girls in each scene taking turns sucking and fucking the hard cock of some lucky actor.

In the first one, I'd have Simone Staxxx and Keama Kim. In the next, two of the best plumpers out there: Samantha and Sunshine. In the third scene, Lady Snow and Bunny De La Cruz. To wrap it up, I'd team up Maria Moore and Sapphire.

That DVD would get me hard every time I look at it. What do you think?—B.W., Albany, New York

Dear B.W.: What do we think? We think you should enter our Screenwriting Contest. We're always looking for new and fresh ideas to bring the hottest porn to you. Now we're giving you a chance to tell us how you think it should be done and win cash prizes, too! Write your script and email it to screenplay@scoregroup.com before May 1, 2009. Entries should have specific themes and ideas and have at least five scenes and just the right amount of detail.

But don't delay, because we're giving away over \$1,000 in prizes! Many creative scripts have already come in, so you'd better put on your thinking—and jacking—caps for this one!

featured preppers, but many of them now don't anymore. That's a tragedy. *Voluptuous* is called that for a reason. It is to celebrate and admire the beauty of the female form. Pregnancy and lactation are a natural part of this, and it is a thing of beauty. For proof of this, check out Lorna Morgan's recent layout. It was superb, even though I would've added an open-pussy photo.

I would like to see more preppers, maybe two per issue. A prepper lesbian scene, or even a DVD with all preppers, would be great, too.

One other thing I must address: Too many of the layouts have toys in the way. Nothing is better than the girl alone spreading her pussy open with-

out anything obstructing the view.—R.M., Fort Worth, Texas

Dear R.M.: As you noted, the debate over having preppers in V-Mag is a strong, ongoing one. But our editorial position is this: If we find a model who we feel captures the essence of beauty and voluptuousness, we're going to show her, even if she looks like she just swallowed a bowling ball.

JANA'S DEBUT MAKES THIS READER HUNGRY FOR MORE

Dear Voluptuous,

Just when I think there's no way possible for you to get another wonderfully big-breasted girl to debut in your magazine, along comes the February '09 issue and the amazing Jana.

I loved that the pictorial was outdoors because I don't think there's anything finer than seeing natural sunlight on a set of 34F breasts like the ones that Jana is blessed with.

Since buying that issue, I've had a fantasy about having a picnic with Jana, but the tasty, treat-filled basket is the one between her legs. After I've munched and slurped on her sweet pussy until she came over and over again, I would take out my cock and rub it in between her lovely breasts. When I was good and hard, I would flip her over and fuck her hard from behind and then explode all over her big and tasty ass. Then, when she's ready, I'd be ready for more!—H.T., via email

**FANS OF RACHEL LOVE GIVE
HER RETURN A LOT OF LOVE**

Dear *Voluptuous*,

Damn, it's good to see Rachel Love again. As a longtime V-Mag reader, I remember her well from her early appearances. I won't say she hasn't changed since then. She looks even better now.

I just checked out some of her hardcore movies on Scoreland.com, and they are nothing short of amazing. Please get her in again as fast as you can.—G.H., Los Angeles, California

**DON'T YOU GUYS KNOW
YOU'RE AN ASS MAGAZINE?**

Dear *Voluptuous*,

I'm writing about the January '09 issue. It barely had any meat to it! I was very impressed by London Andrews and her wonderful tits, but it would've helped if there were more ass shots to make it more interesting. The next time you have that girl pose, please get more shots of her ass. The same goes for Kali West. The ass shots of her on pages 45 and 49 were excellent and left me wanting more.—S.G., Denver, Colorado

**DON'T YOU GUYS KNOW
YOU'RE A TIT MAGAZINE?**

Dear *Voluptuous*,

I normally think of myself as your typical V-Mag reader. I like to see natural women with very large breasts. It's okay if they're a little fat or average-looking as long as they have huge tits to make up for it. I've also bought quite a few of your videos because my main interest is to see the tits of women in real

Good things cum to those who wait, like the return of the incredible Rachel Love.

time and in better resolution than your magazine pictorials can produce.

Unfortunately for me, I have been disappointed with some of the model scenes in these videos. My problem is that the models spend too little time massaging their tits and quickly move on to using a dildo. Instead, they should spend more time posing and showing off how their tits look naturally, like when the girls are topless or when their tits are naturally hanging. The fact that just about every scene begins with her

10 Years of **Vmag**'s BEST

**Only the greatest have won
V-Mag Model of the Year.**

On page 44 of this issue, we announce the winner of the 2008 Model of the Year Award. She'll have quite a history to uphold. Over the previous 10 years, eight girls had won V-Mag Model of the year. They represent the best this magazine has to offer.

**CAROL
BROWN
1998**

Curvy Carol was an appropriate choice for V-Mag's first Model of the Year. Wrote S.J. from Massachusetts, "The definition of voluptuous in the dictionary should have Carol's name and picture in it. She's all you would need." We were thrilled when Carol returned to V-Mag in 2008.

DEVON DANIELS

1999

The crazy thing about Devon's victory in the 1999 Model of the Year Contest was that she had retired from modeling 10 years earlier. But a retro pictorial of Devon, featuring seven pin-up photos, had appeared in the May '99 issue, making her eligible for an honor she deserved.

VIA PAXTON 2000

When Via appeared on the cover of the September '00 issue, we asked, "Is she the next Devon Daniels?" She was in one way: Via went on to win Model of the Year, just as Devon had the year before. But Via's combination of E-cup naturals and one of the finest asses ever put her in a class by herself.

SHARDAY

2001 & 2002

There was no Newcomer of the Year Award in 2001, so readers took matters into their own hands and made this Puerto Rican teen the first newcomer to win Model of the Year. That'll never happen again because now that there's an award for newcomers, they're not eligible for Model of the Year.

KERRY MARIE 2003

Kerry, a V-Girl since 1999, defeated Nadine Jansen by only 142 votes to win 2003 Model of the Year. "It couldn't have happened to a nicer girl," one reader said of this perennial runner-up who plumped up in 2003 and got the recognition she deserved. "I can't believe it," Kerry said. "I didn't think I had a chance."

A full-page photograph of Nicole Peters posing nude. She is lying down, propped up on her elbows, looking directly at the camera with a slight smile. Her hair is shoulder-length and brown. She is wearing a thin necklace with a small pendant. The background is a plain, light-colored wall. The lighting is soft and even.

NICOLE PETERS

2004 & 2005

Nobody was surprised when Nicole won 2003 Newcomer of the Year. Nor was it surprising when she was voted 2004 Model of the Year. But in 2005, the J-cup Brit who so many of us had fallen in love with became the first back-to-back winner (and the first to win three V-Mag awards).

NADINE JANSEN

2006

A perennial runner-up (she was second to Kerry Marie in 2003 and second to Nicole Peters in 2005), this German wunderbabe finally took home the prize in 2006. It was about time. This generously slung girl-next-door possesses one of the greatest racks in *Voluptuous* history.

ANGELA WHITE

2007

Angela White's reaction when she found out she'd won 2007 Model of the Year—"I sat down at my computer for about 10 minutes with tears rolling down my face, completely speechless"—tells you how prestigious this award has become. Here's to 10 more years!

in some sort of costume and ends with her getting herself off with a sex toy must mean some of your customers like that. However, I do not.

I would like to see more scenes where the model takes off her top, then her bra, and proceeds to pose completely topless in various ways for prolonged views of her huge tits and nipples. Shots like frontal and side views, all-fours, bending over, lying in bed, etc., would be okay if she uses her hands sometimes, like to rub or pull on her nipples. But the model shouldn't move her tits around so much that one can't focus on them. That other stuff can follow later.—S.S., Miami, Florida

DON'T YOU GUYS KNOW YOU'RE A PUSSY MAGAZINE?

Dear *Voluptuous*,

I don't want this letter to sound like I'm critical of your magazine because I really do think you're the best for bringing curvy women to horny guys like me. But could you please give me more close-up pussy shots? When I see a woman with fabulous curves, the first thing I think about is sticking my tongue deep in her twat. Yes, I love to suck on tits and occasionally tickle her brown starfish, too. But most of all, I love to taste a woman's pussy and make her scream with a tongue lashing. When I jack off, that's what I like to think of, but it's difficult to do so when you don't show a girl's honeypie nearly enough.

If a girl has a clean box, it's just as hot as big, pink areolae or a thick, smooth ass. If they've got it, show it! The reason we like girls is because they have pussies between their legs.—C.L., Pittsburgh, Pennsylvania

Who's the **new** girl who stole your heart?

Someday, we'll look back upon 2008 as one of the greatest years for debuts in V-Mag history. It provided a bumper crop for fresh melons as curvaceous cuties like Alix Lakehurst, Alanna Ackerman and Victoria Lane showed off their tasty tits in V-Mag for the first time. With voluptuous lovelies like Jolie Rain, Slone Ryder and Janet Jade in the running, it would have to take a legend in the making to take home Newcomer of the Year.

Karina Hart

Someone call the doctor, because the voting for Newcomer of the Year was an absolute Hart attack. How decisive was Karina's victory? She had more votes than the second- and third-place winners *combined*. A landslide win like that in a year with as many hot debuts as 2008 is a tribute to Karina's amazing beauty, body, style and modeling. Those and her H-cup breasts and curvy, fuck-able ass.

As soon as we started receiving ballots, it was clear we should start preparing a trophy with Karina's name on it. "Karina's more than just the best debut of 2008," wrote K.T. of Dallas, Texas. "She may be the hottest model V-Mag has ever had, and I've read your mag since the first issue. She's almost perfect. Promise me that in 2009, we'll see lots more of Karina." Promise. Her new DVD is in the works!

We've heard from you. What does Ms. Hart think about her landslide victory (she also won *SCORE* Newcomer of the Year)? "Wow! I knew I had a lot of fans, but I had no idea that they were this dedicated. I am really stunned, but I am thrilled, too. I hope I don't let you down!" Don't worry, Karina. You've never let us down...in any possible way!

**Who is
the ultimate
big, buxom,
beautiful
woman?**

Year in and year out, this category never lacks in interest and debate from our tit-loving readers. This year was no different as the response to pictorials of models like Sunshine, newcomer Bunny De La Cruz and Deborah Blue was overwhelming. Going into 2008, everyone knew it would take an incredible plumper to unseat the two-time defending winner, Sapphire. Did she make it three in a row, or is there a new queen of the Plumpers?

Deborah Blue
1st Runner-up

Sapphire

When you win something once, it can be characterized as a fluke. Twice means you're good. But to win something three times in a row leaves no doubt: You're amongst the very best. That's Sapphire. For the third year in a row, she's V-Mag's Plumper of the Year. "I never thought I would win it again," Sapphire said. "But I have to thank all of the fans that I have. They're the best a girl could ask for."

When we told Sapphire about her win, the busty girl-next-door was caught by surprise. But her historic victory was no shock to the fans who mailed in ballots or voted online at Scoreland.com. "Sapphire is the greatest V-Girl of all time," wrote J.L. of Charlotte, North Carolina. "Who out there wouldn't want to put their hands on her luscious mounds or her round ass?" Since her debut six years ago, we haven't been able to find a guy who wouldn't.

Until now, only Nicole Peters had won three V-Mag awards. Can Sapphire separate herself by making it four in 2009? "I'm not thinking about it," she said. "There are lots of good models out there." That's true. But Sapphire's now among the greats.

Model of the Year, the oldest and most respected of all V-Mag awards, is the most difficult to win. This year's runners-up included two previous winners: Nicole Peters (2004 and 2005) and Kerry Marie (2003). It also included Terry Nova, a Czech babe with some of the biggest naturals we've ever seen. Every year, though, we ask the same question: Will the previous year's top newcomer graduate to Model of the Year?

Terry Nova

Christy Marks

Call it fate, call it destiny, or call it whatever you want. But we knew it would happen when we first laid eyes on her: Christy Marks, Model of the Year. "Forget all those other girls," K.V. of Portland, Maine wrote. "Christy is head, shoulders, and tits above them all." That has never been truer than it is right now.

With one award now in her, uh, chest, Christy appears headed for a long reign. Her first XXX videos—a major reason for her victory—are sensations, and her website, ChristyMarks.com, collects hits from across the globe. Soon she'll do her first ever anal scene in the upcoming *Christy Marks Anal Angel*. "I really do believe that this award is just the beginning," she said. "I'm so thankful to my fans for their support." They're just as thankful for you.

A full-page photograph of Ashley Sage, a woman with long, wavy blonde hair, wearing a red and black bikini. She is standing outdoors near a swimming pool, with her hands on her hips. The background shows a blue pool and some greenery.

Meet
Ashley
Sage

The next **breast** thing, on location in the Bahamas

BY J.D.
ROBINSON

It's definitely in the air, mixed in with the sea breeze. You can smell it, along with the sunscreen lotion, pool chlorine and the smoke coming from a barbecue taking place about a 100 yards away.

It's the scent of anticipation.

Everyone here, from the photographers to the makeup artists, can sense it. They're all waiting for it to pass, too. When it does, those of us standing here will know it's gone. The scent will be replaced by that of sweet perfume, adorned on the neck of Ashley Sage Ellison.

The scent first started months ago, when the editors of *Voluptuous* first saw photos of this incredibly busty girl from

England. It got stronger as she made her debut in the April '09 issue. It became overwhelming when she agreed to travel to St. Martin to film her first feature video.

Then, finally, it's gone. Anticipation for this long-awaited moment is replaced by the *click-click-click* of a pair of heels against concrete as the beautiful Ashley makes her way to the oceanfront villa's pool for her first video shoot. "Hello, everyone!" she says with a shy girl's giggle. "I hope you all haven't been waiting long."

Just our entire lives for a girl like you, Ashley. However, it was well worth the wait.

The video director approaches Ashley and has a brief discussion with her. The J-cup beauty looks attentively at him as the breeze off the nearby ocean picks up a little. Soon, the shoot will start and another chapter to her burgeoning career as a superstar

model will be written. One that undoubtedly will place her on many magazine covers and DVD boxes, making her one of the most sought-after women on the planet.

"Do you have any questions before we begin?" the photographer asks.

"Yes," she says. "Are they cooking steaks down there?"

For today, however, she's still just the girl from around the corner.

For the next hour, Ashley is filmed poolside, rubbing water

over her curvaceous figure. The camera

moves all over, capturing all of her voluptuous glory. Only a small handful of people are privileged enough to see this moment. Soon, the whole world will be able to when *Ashley's First Time* goes on sale.

When the shoot is over, an assistant hands Ashley a white, terry cloth robe. She politely says "Thank you very much" and walks over.

"How did I do?" she asks me.

"I'm still just a little girl with big tits."

Roll credits! In the new DVD *Ashley's First Time*, Ashley is her own opening credits. And her tits are the show.

"It looked great from this vantage point," I say, totally honestly.

"Thanks. I was a little nervous."

"I think you'll do fine."

A short while later, an exhausted Ashley relaxes in her room. It's been a hectic day: arriving on the island, getting to the villa, being ushered into a makeup session and then off to her video shoot. Now, the day is over and she's experiencing the pleasure of unwinding. Sitting on a king-sized bed and flipping through a fashion magazine, she's wearing a tight yellow tanktop and a pair of pink shorts. Her

massive cleavage bulges over the cut in her tanktop, and when she shifts in her seat, her nipples bulge ever-so-slightly, disclosing that she's not wearing a bra.

"Do you ever get tired of people asking you about your breasts?" I ask.

"What?" she asks through an electric smile.

"Um, does it ever, uh..."

She throws her head back and laughs. "No, not really," she says. "I'm grateful for the attention. It used to strike me as weird when people would ask to take pictures when I was out

and about. Now I actually think it's sort of neat. I get noticed a lot when I go out, and I know my boobs have a lot to do with that."

"I think you're going to get noticed even more now," I say.

Her eyes turn toward the ceiling, as if she's contemplating the possibilities. "Probably," she admits. "But still, if I wasn't aware of that..."

"You wouldn't be here right now."

"Exactly. Which isn't a bad place to be, really. This place is really something else. I don't know if I've ever been to a place so posh. Hey, did you see a piano downstairs?"

"I didn't look. Why?"

"Oh, I like to play sometimes. It's very relaxing to me. Music was always my favorite subject in school. I find it easy to lose myself in a song or a musical sheet."

"So music was your favorite subject. Which one did you like the least?"

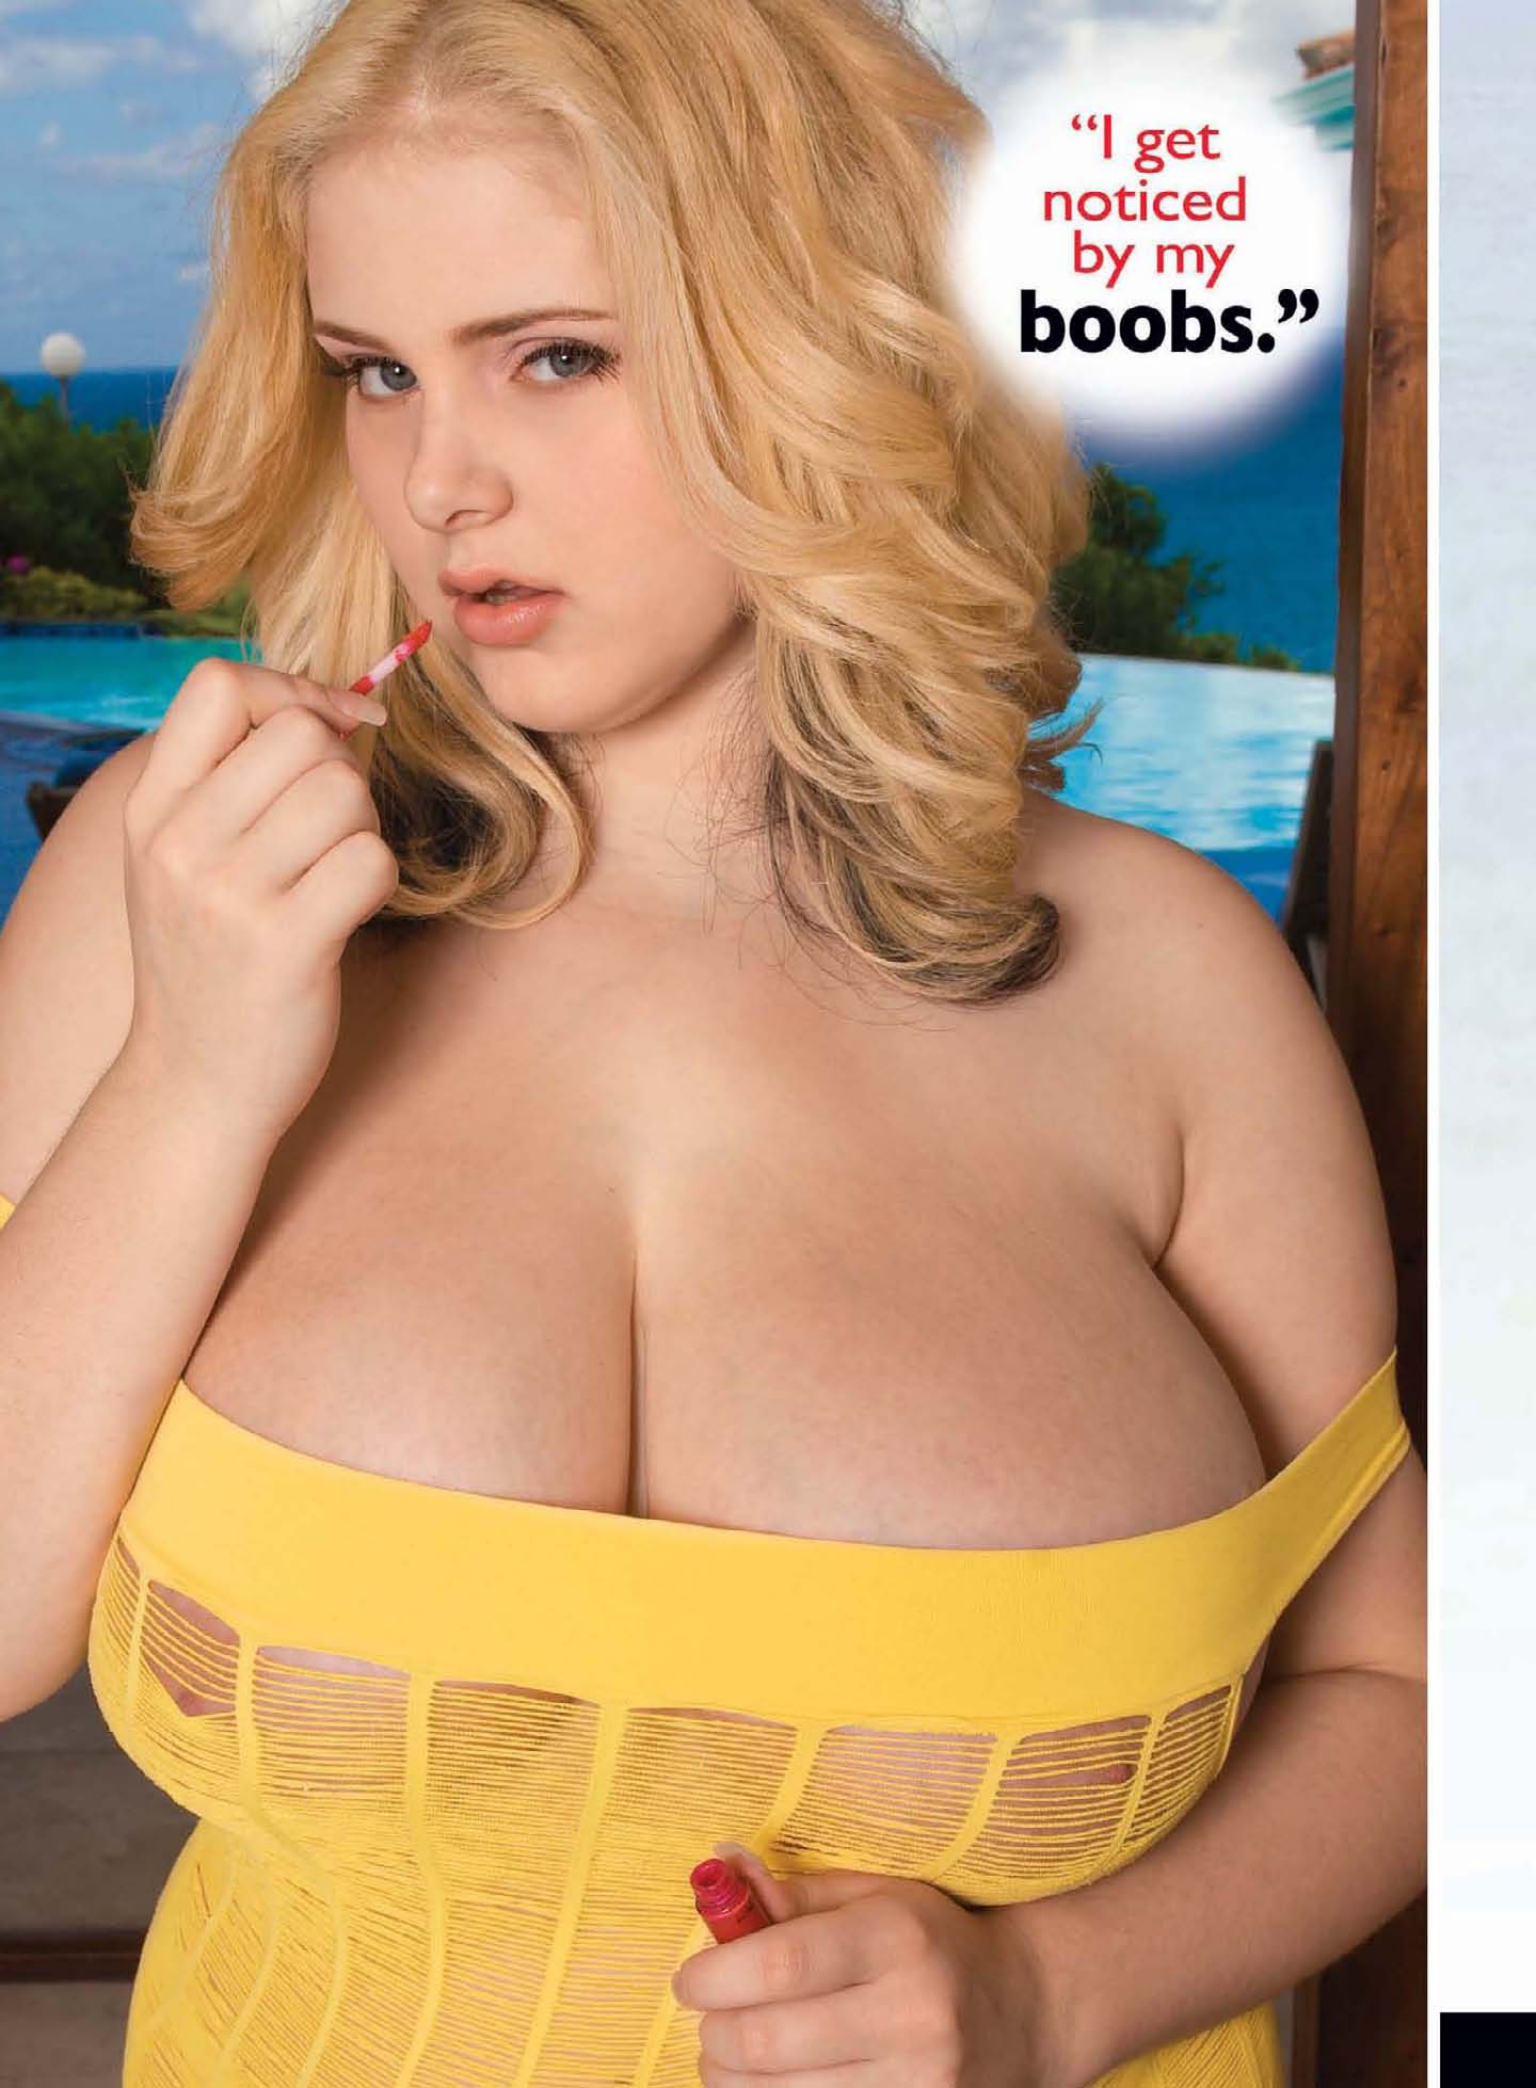

"That's easy," she says. "Math." She sticks out her tongue, as if she's bitten into something nasty or sour. "I've never been too good at it or cared for it much, really. I'm not a numbers person at all."

"Are you hungry?"

"Oh my god, yes!" she says as she tosses the magazine on the floor. "When we were shooting earlier, someone was grilling steaks down the

naked!”

A blonde woman with wavy hair is looking towards the camera. She is wearing a bright yellow, off-the-shoulder tube top with a ribbed, textured pattern. She is holding a red and white striped lipgloss applicator in her right hand, with the tip near her lips. In her left hand, she holds the red cap of the lipgloss. The background is a blurred outdoor scene with a blue sky, green foliage, and a body of water.

beach, and it smelled so good. It was terribly distracting for me when I was out there. I mean, here I am, trying to look all hot and sexy, and all that's going through my head is, 'I wish they'd bring me one of those steaks!'"

Another laugh erupts from her, and her eyes light up expressively.

"Let's go get something to eat then."

Soon, we're sitting alone at a large table. I feel as if I'm on the dream date all V-Men dream about, but I have to remind myself to be professional. Ashley digs into her steak. Before going out, she changed and now she's wearing a button-down top and a pair of blue jeans. Her hair is pulled back into a ponytail, held with a black, velvet scrunchy. The top three buttons of her shirt are undone, and her tits are busting out over onto the table.

"This is really good," she says as she devours a hunk of sirloin.

"You really like a tasty piece of meat, huh?"

She glares, then smirks.

"Sorry."

"That's okay," she says as she takes a sip of ice water. "I'll allow you one

bad joke per day."

"So I've hit my quota. Let's start asking some serious questions. I'm supposed to be interviewing you."

"Okay, then. Shoot."

"Who are your heroes?"

"My parents," she says quickly, as if there could be no other answer. "I can't even begin to tell you all the things they've done for me. They've supported me through everything I've done, and I know I couldn't have made it this far without them."

"What do you do for fun?"

"Have fun."

The glare and smirk is returned back her way.

"Okay, I deserved that," she says as she wipes food from her lips. "I like to go clubbing with my friends. You know, the whole girl thing of dressing hot, hitting the scene and not coming home until the wee morning hours."

"What do you wear when you go out clubbing?"

"Corsets and short skirts, particularly in red or black."

"You wear those to show off your breasts and legs?"

"Kinda, yeah. I also like to wear high heels and tease my hair out."

"What else do you do for fun, besides going to clubs?"

"Going to movies is a lot of fun. I'm a big Johnny Depp fan. I try to see all his movies. Bowling is fun, too."

"Bowling?"

"Yes, bowling," she says. "Why, is that hard to believe?"

"Just the part about you wearing those god-awful shoes that they make you rent."

A hearty laugh fills the air, as if she's heard the first joke ever created.

"No, I really like it. It's fun, and you don't have to be really good at it to have a nice time."

"So that's what you do during the night," I say. "What do you do during the day?"

"When I'm not working? I like to go shopping," she says. "Come on, I'm still just a girl."

"With really big tits."

"Yes, you noticed. Anyway, there are a lot of great shopping centers and stores where I live, and all the store

V-MAG
DEBUT

Bella Storm

***This storm will
blow you away!***

"Orgies turn me on," said Bella Storm, a 23-year-old Southern belle whose got quite a frontal system going on. "But I have to be the center of attention." That shouldn't be a problem. After all, when there's an orgy going on and one of the babes is as pretty and sexy as Bella and is toting around DD-cup naturals...well, you know where most of the attention is going. "I love the attention my breasts get me," she said. "I always dress in a teasing manner, even if I'm just going to class. I love to show just enough skin to make the boys want more. Of course, I'm not just a tease." We didn't think so. In these pics, Bella delivers!

Bare Facts

Bella Storm

Birthdate: March 7, 1986

Age: 23 **Height:** 5'5"

Weight: 144 lbs. **Bra:** 38DD

Measurements: 44-30-39

Occupation: Student

Born: Memphis, Tennessee

Lives: South Florida

We're guessing that most of you have blown your load over that in-your-face tit-shot of Bella on the previous spread, and now you're just reading for informational purposes. Well, here goes: Bella's fantasy car is a 1966 Mustang Fastback. Although she was born in Tennessee and lives in South Florida, she's a big fan of Chicago's sports teams. She enjoys singing, dancing, hanging out and reading romance novels. She only wears thongs. And she always wears a bra. "With puppies as big as mine, it's a must," she said. Bella, we're blown away!

Everyday musings by a big-tit connoisseur

By J.D. Robinson

And now, the 2009 V-Mag Award winners. Wait, 2009?

Awards programs are, by and large, a chance to take a look back. They're intended to recognize a stellar body of work in a specific time period. Whether we're talking about Emmy Awards or the NFL MVP, the purpose is to look back and say, "This was the very best."

That can be fun, for sure.

But do you know what's more fun?

Predicting the future.

So, after we were done counting all the ballots for the 2008 V-Mag Awards, I immediately started looking forward to next year. I have a hunch that the 2009 Awards are going to be the most contentious in this magazine's history. So much so that I placed a call to "ESPN Jason," a bookmaker and boob lover, to ask him to place a set of early odds on next year's race. We call him "ESPN Jason" because he's got more inside information than that entire network.

"Hoo-boy, broseph," he said when I first asked him about the coming year. "You're going to have a real head scratcher at the top of your list."

"What do you mean?" I asked.

"Well, that Karina Hart girl is going to move up and contend for Model of the Year in 2009, correct?"

"I think it's safe to say that she will. She dominated the Newcomer voting this year. So is she the early favorite?"

Continued on page 72

After they duke it out, hopefully Karina and Christy will kiss and make up.

RACK RAVE

She hasn't won an award, and with the roster of women we have, she may never. Still, I think Alanna Ackerman is one incredibly hot woman.

It's the tan lines. They really get me. I grew up in Florida, where seeing tan lines meant you were about to get laid. Every time I see Alanna, I'm reminded of my youth.

Throw in her plump ass and smoky eyes, not to mention her hardcore skills, and she's one bodacious babe.

Alanna, I've got an award just for you. Come to my bedroom to receive it. Bring condoms.

Who would it be now?

Recently, a co-worker told me that two of our models randomly met while on location, ended up skinny-dipping with each other and then fucked.

"Wow, that's hot," I replied. "Too bad we didn't film it."

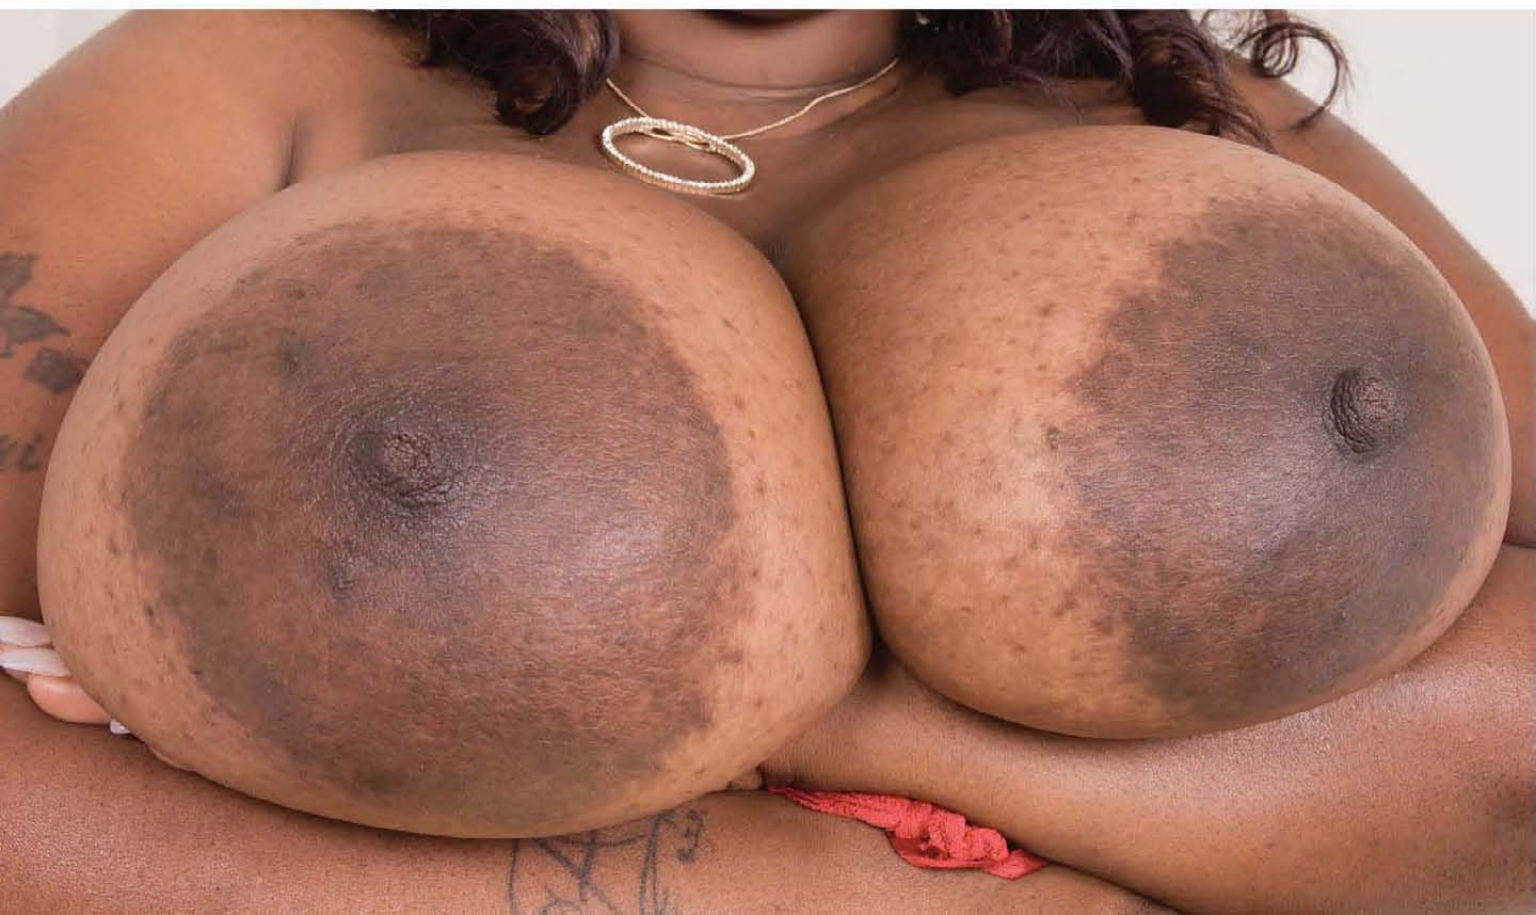

"Agreed," he said. "I can't imagine two models that would make a better girl-girl session."

That got me thinking. Who would be the best twosome to pair for some pussy-lapping action? I'd love to see Whitney Stevens get it on with Victoria Lane, but that's just me.

If you could pair any two of our girls for a lesbo spread, who would it be? E-mail me at robinsonj@scoregroup.com with your suggestions. Put "lezzies" in the subject field. Maybe if the responses are strong enough, we can make your dream cum true.

You have to go to the bank on your lunch hour, and you're dreading it. The long line. The wait. The boredom. The fact that by the time you're done, you're not going to have any time to eat. After about a half hour, you're at the front of the line. "Next!" a female voice calls out. You step up to the window. Hand over your deposit slip. And check out the huge rack in front of you. It's Nina Star!

You can barely control yourself as the bank teller says, "Can I help you?" *Yeah, you can help me, you think. You can whip those puppies out of your top and let me stick my dick between them.* But you don't. Because that wouldn't be polite. So, as Nina handles your transaction, you think, *This girl should be in V-Mag.* Well, guess what? She is!

Nina Star

Birthday: July 29, 1978

Age: 30 **Height:** 5'5"

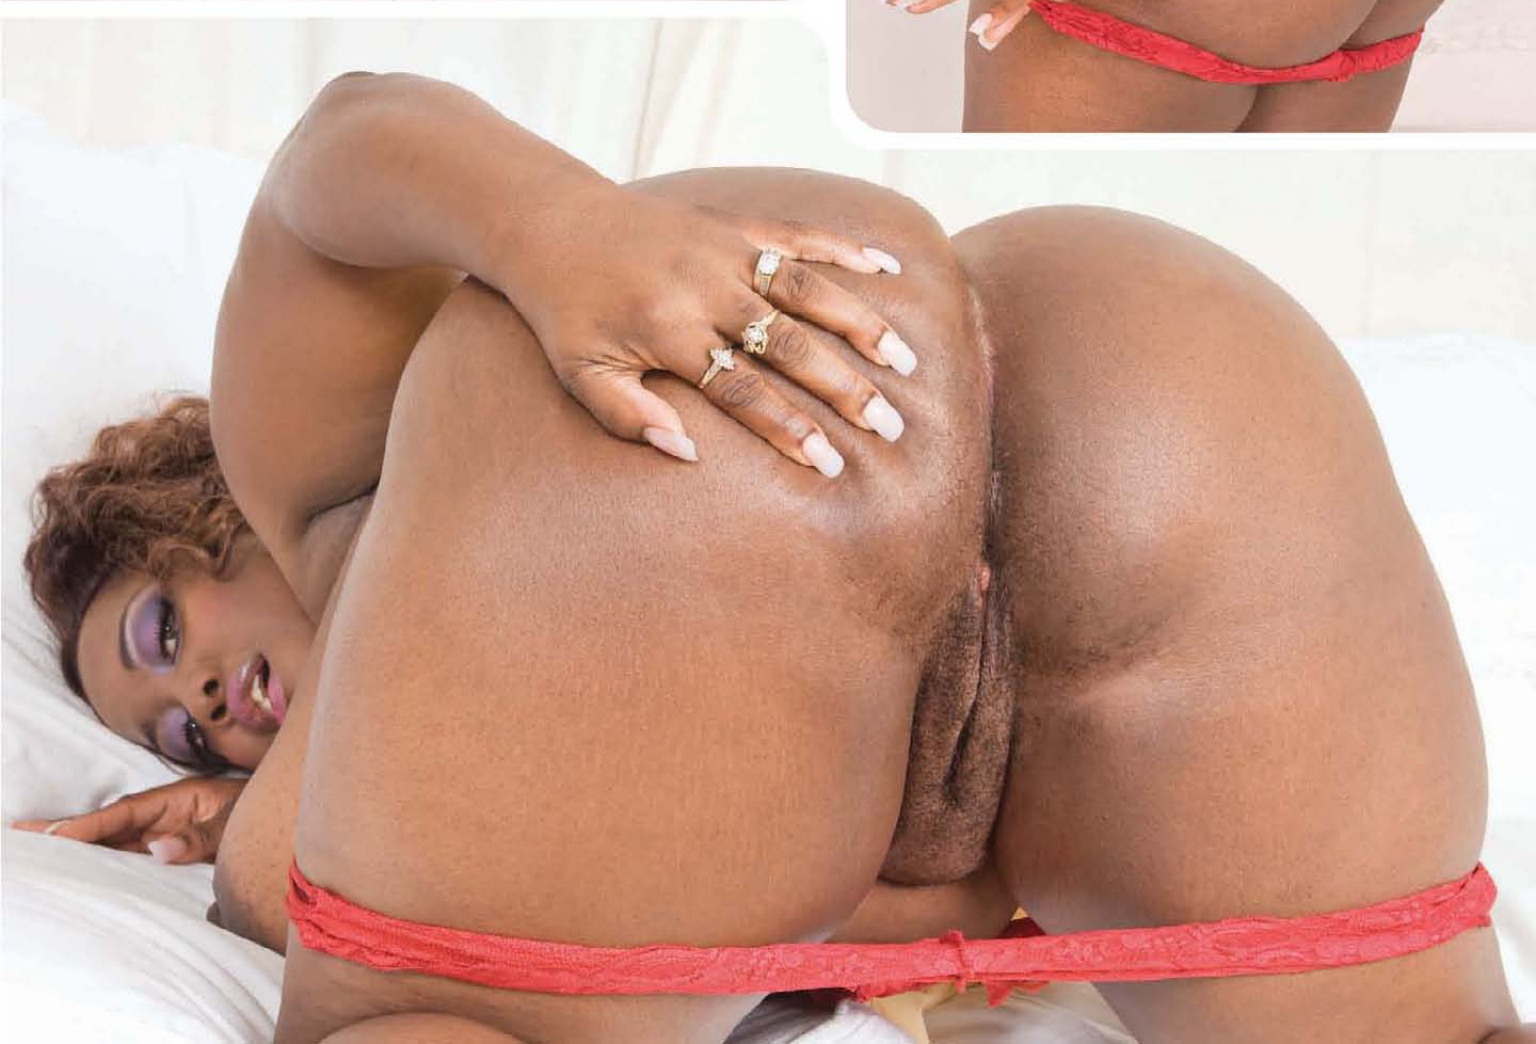

Weight: 148 lbs. **Bra:** 40G

Measurements: 48-32-40

Occupation: Bank teller

Lives: Dallas, Texas

Nina can already be seen playing with her gigantic tits and sucking and fucking a real-life cock online at XLGirls.com. Check it out. She's good at it. Because even though she works a boring day job, she's anything but boring. "I like to go to strip cubs with a hot man or girl," she said. "We watch the show, then we put on a show of our own. And my tits are always the biggest in the club." Or just about anywhere else.

"Hold on there, bubba," Jason said. "Newcomer is one thing, but Model of the Year is the big leagues. I don't think Christy Marks is just going to hand that trophy to Karina, do you? She's going to make another run at it, you know, and from what I've heard, she just did her first anal scene."

"Is Christy going to be Karina's biggest obstacle?"

"You are an editor with that magazine, right?"

"Last time I checked."

"Well, then maybe you should read it from time-to-time. Rachel Love's comeback is the talk of tit-men everywhere. If they were to base the voting solely on their hardcore performances, Terry Nova and Brandy Talore would be hard to beat."

"So, what are your odds, Jason?"

"Okay, I'm going to say that Karina is the favorite at 5-to-2. Right behind her, I'd put Christy at 4-to-1, then Rachel Love at 8-to-1. Terry and Brandy would round out the favorites at 10-to-1."

"Interesting. Got any dark horses to watch in this race?"

"Like when I told you last year that Tampa Bay would contend in the American League East?"

"Are you going to stop reminding me of that anytime soon?"

"No. But since you're asking about breasts and not baseball, I'll give you a dark horse: Victoria Lane. She was the only one to stay close to Karina in the Newcomer race, and she's got everything you want in a V-girl. Conservatively, I'd put her odds at 25-to-1. But if we were at the track, I'd put a few bucks down on that pretty pony."

"Yeah, I can see that. She looks like a girl I used to date."

"Lindsay?"

"Yeah. How'd you know?"

"Saw her last week. She still works at that titty bar over in Pompano."

"Next time, tell her I didn't say hi. How about Plumper of the Year? Who do you like there?"

"Another toughie. It's hard to beat a girl who's dominated like Sapphire has over the past three years."

"Do you think she can make it four in a row?"

"Not so fast, Sparky. I would bet my house that Bunny De La Cruz is going

to win this award one of these years."

"Jason, you don't own a house."

"Okay, my ex-wife's house. Either way, it's going to take a model of Bunny's caliber to end Sapphire's amazing streak."

"So it's a two-girl race?"

"Not at all. Samantha could surprise here, and I wouldn't count out Leah Jayne, either."

"How do you see the odds in that category stacking up?"

"I'd make Bunny and Sapphire co-favorites at 4-to-1. Samantha will get you 8-to-1, and Leah Jayne goes off at 12-to-1."

"Okay, last category. Newcomer of the Year."

"You mean you haven't just given it to Ashley Sage Ellison yet?"

"Stop it."

"Well, you have to admit she's the heavy-titted favorite."

"So far, yes."

"Right, but it's a trickier wager because the girl who could beat her may not have even dropped her panties for the camera yet. So, let's do one of those props that Vegas uses for Tiger Woods in golf tournaments. Ashley is the favorite at 2-to-1 while anyone and everyone else goes off at 15-to-1."

"Sounds like an interesting bet."

One tit-lover's opinion

You know how every year at the Oscars or the Grammys, there's one nominee who decries the concept of awards shows? The one person who says it's unfair for these performers to have to compete against one another?

Don't you hate those whiny, pretentious fucks?

Well, so did I. That is, until recently. Now that I'm sitting here having to hand out these awards, I can understand how a person might feel that way. It's hard to say that someone's work, while very good, wasn't good enough.

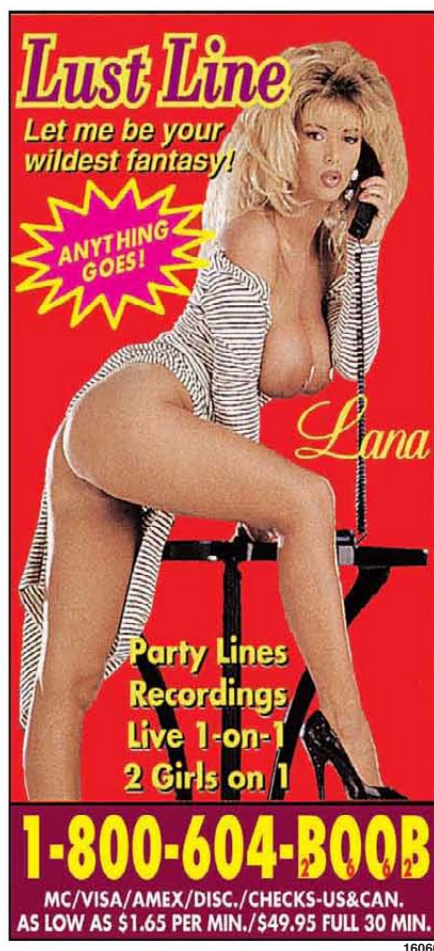

I have no real disagreement with the way the awards went out this year, but there were plenty of girls whose work this year went above and beyond. For them, there should be special recognition. So, I've decided to give out the first annual Jon Daniel Robinson Trophy for Models Who Did Really, Really, Good But I Don't Want Them To Go Home Empty-Handed Award.

3rd Runner-up: Alix Lakehurst. Between her, Karina Hart, Jolie Rain and Alanna Ackerman, 2008 was one incredible year for debuts. Alix is definitely on my short-list for V-Girls I'd most like to ass-fuck. You want quality? I think her January '08 pictorial was one of the best spreads of the entire year, and that was her *debut*. Then she follows that up with a hardcore scene in *Hooter Hospital* that was zipper-breakingly good. I also loved her admission that she once let a guy handcuff her to a seat in an abandoned theater and let him fuck the holy hell out of her. What other stories would you like to share with us, Ms. Lakehurst? Please, we're all waiting to know. Nice job, Alix.

2nd Runner-up: Brandy Talore. From the movies to the in-depth interview to the amazing pictorials, you certainly couldn't ask for much more from a model than what Brandy did in 2008. Brandy got as much reader response as any girl on this year's ballot, and it's easy to see why. And you know how some girls have nice tits but their asses are flat? Or other girls have cute behinds but aren't much from the neck up? Brandy is one of those girls who is truly flawless. Her DDD-cup tits, baby doll eyes and suckable ass makes her a winner no matter what the year, what the category.

1st Runner-up: Jolie Rain. It was quite a rookie campaign for the Texas red-head, and she's off to a great start in 2009 with a hot in-depth interview in the May issue and a cock-draining scene as a horny, bitchy IT girl who gets hers in *Rack Riders*. Furthermore, any girl who likes to drink beer, play video games and suck on pussy is always going to get high marks from this freak.

The Winner: Bunny De La Cruz. I must tell you that the final margin between her and Sapphire in the Plumper of the Year contest was thinner than Amy Winehouse after a crystal meth bender. Given everything that the honey Bunny did in 2008, it's easy to see why. Her hardcore scenes are always top-notch, and her beauty is undeniable. Her all-natural JJ-cup funbags are incredible, and few girls suck a cock quite like her. Don't believe me? Go buy *Plump & Humped* or *Hooter Hospital*. Not even the Detroit Lions sucked as much in 2008 as she did. Kudos, Bunny, and keep up the great work.

Sierra Skye

There are many things to love about the Sunshine State of Florida, and debut dolly and beach-loving babe Sierra Skye is just one more. "I love to spend all my spare time at the beach," she said. "My idea of the perfect day is soaking up the rays with just the right guy."

© 2013 POCO POCO POCO

A former cheerleader who loves to watch sports, Sierra is easy to please when it comes to dating. "I'm not into anything too fancy," she said. "After hanging out all day at the beach with my guy, a terrific night would be going to dinner and then spending time together alone." Anything else? "Oh, yeah, and if he knows how to eat my pussy well, that helps."

Simplicity seems to serve Sierra well, but she does have an urge to try the extravagant. "My ultimate fantasy is to be in a gang bang," she said. "I like being the center of attention, and I'd get off being desired by so many guys at once." Darling, now you truly are.

clerks know me by my first name."

"You have a regular job?"

"Yup."

"What do you do?"

"I'm a beautician."

"Do you like doing that?"

"I love it. You get to work with a lot of people on a personal level. You can also, I don't know, tell them what's wrong with them and how they look and they rarely get upset about it. It's cool and strange at the same time. I can tell someone that their hair style or fingernail color is all wrong, and they act like I'm giving them the secret to life or something."

"Well, they must assume you know what you're talking about."

"Why, because I'm a professional beautician?" she asks.

"No, because you're beautiful."

She smiles. "You flatter me."

"Will that get me very far?"

"Not as far as you'd probably like."

The next day, Ashley and the crew have moved down to the beach. On the DVD, this scene will show her frolicking in the surf and rubbing saltwater and sand all over her sexy body. The first-day jitters gone, Ashley seems more relaxed.

"Having fun today?" I ask.

"Yes. It reminds me of when I was younger and my family would vacation in Spain. I love the beaches there."

"Is this better?"

"Um, I don't know. Being in Spain was fun, and I love being with my family. But this is a spectacular beach. Truly beautiful."

The scene takes less than an hour to film, and then it's quickly decided that a shower scene will be shot next.

"Oh, thank god," she says. "I think I've got sand in my bum, and I want to get it out in the worst way."

"Can I help you with that?" I try. "I'm very skilled."

"Okay, you've met your bad joke quota for the day right there."

Soon, Ashley and our staff file into one of the villa's many bathrooms for the video's shower scene. In this moment, it's apparent why Ashley has that extra something that is going to transform her from V-Girl to Superstar. Her hands move slowly over her body,

rubbing soft soap as it runs over her breasts, through her cleavage, down her belly and over her pussy. She turns her back to the camera and rubs her delicious ass. For a moment, all an observer can think of is being in bed alone with this beautiful creature.

When there's a momentary break in filming the scene, Ashley looks over with a "You're enjoying this way too much" expression on her face.

After the filming of the shower scene concludes, Ashley decides she wants to go back to her room and lay down for a bit. I ask her if I can join her so that we may continue the interview.

"Did you smell the cookies they were baking in the kitchen earlier?" she asks.

"How could I not?" I admit. "They smelled great."

"Bring me some and I'll let you hang out with me."

"What's that, some kind of admission price?"

She looks at me, then feigns a yawn. "You know what? Maybe I'll take a nap instead."

"Okay, okay," I say, catching the hint. "I'll bring you some cookies."

Twenty minutes later, I show up at her door holding a plate of chocolate-chip treats.

"Good boy," she says as she smiles and takes one off the plate.

"Well, it's going to cost you."

"How so?" she asks, biting down on her snack.

"Let's talk a little more about you."

"Okay."

"Do you like sex?"

She chews on the cookie, and her eyes turn towards the ceiling. It's obvious that she's carefully constructing her answer.

"No more nor any less than the average girl."

"What do you like about it?"

She sits down on the bed, and takes a deep breath.

"Look, I think you're an okay guy. Really. In the time we've spent with each other on this trip, you've actually looked at my eyes more than my tits, which puts you in the minority of men I meet."

"Thanks."

"But I don't feel comfortable in talking about sex. Don't take it personal. It's just something I'm extremely private about. I just don't go around telling just anyone my feelings about

it. I mean, what if my parents read this? I couldn't do anything that my parents wouldn't approve of."

Realizing that pushing her on this matter would only make her less responsive to answering other questions, I switch topics.

"Ever meet anyone famous?"

"I met Gary Lucy once."

I'm stumped.

"Who the hell is that?" I ask.

"An actor. He's done a bunch of telly shows in Britain. Really cute."

"Anyone else?"

"No. But I'm not the starstruck type. Meeting famous people doesn't do anything for me, really. I mean, it'd be cool to meet someone really famous, but I wouldn't describe it as the highlight of my life."

"What would you call the highlight of your life?"

"Besides this interview?" she replies with a sly grin.

"Seriously," I say. "What's your favorite memory?"

"Once when I was a kid, it snowed on Christmas. When I woke up, I looked outside and the entire yard resembled one big white bedsheet. It was before anyone in my family had woken up. I put on my snow boots and went out in the yard with my dogs. It was totally quiet, no one around. We all just rolled around in the snow."

A moment of silence passes.

"That's it?"

"Yes," she says. "Disappointed?"

"No, I just assumed..."

"What? That it would be something different? Sexier?"

"Well, maybe just more exciting."

She shakes her head. "I don't need exciting. Sometimes the simplicity of a moment can make it perfect."

After having half of a second cookie, Ashley makes her way back downstairs, where a discussion about the next scene takes place. In this part of the video, Ashley will try on different sexy outfits. Bikinis, booty shorts, tight tops, all kinds of revealing clothing are brought to her to try on for the camera and the benefit of the viewer.

"I could never wear stuff like this back home," she says. "I'd cause too much of a commotion if I tried to go out with these clothes on."

With three scenes shot for the day, everyone decides to call it a day. Ashley goes back to her room but asks

me to come by later to check on her.

Hours later, I do as I was told. When I knock on her room door, she doesn't answer. I bang a little harder.

"Ashley?"

"Um, who is it?"

"It's me. The interview guy."

"Um, hold on a minute, okay?"

What choice do I have, really?

"Okay."

From behind the door, the sound of a human scrambling is heard. Thumps and grunts and the zipping of a suitcase. Finally, she answers the door, and she's wearing a tight white t-shirt and blue sweatpants.

"I'm really sorry," she says as she opens the door. "Please, come in."

"I'm sorry. Did I catch you at the wrong time?"

"Well, kind of."

I look at her quizzically.

"I was, uh, naked."

She giggles. "I just like to be nude. When I'm at home and don't have to be dressed, I rarely wear clothes. It feels good to be all natural."

"Ever been caught in the buff?"

"No, but I've had a few close calls."

The next day's shoot is something everyone involved has been waiting for: Ashley's naked exercise scene.

"Wow, why is everyone so excited today?" Ashley asks when she arrives.

"Didn't you hear? The Archduke of Salzburg is stopping by," I say.

"The Archduke?" she says, throwing my humor right back at me. "Wow, that is exciting," she says.

The cameras start rolling, and Ashley begins to work up a sweat. She does jumping jacks, stretches, bends, all kinds of body movements to show her assets swaying and jiggling.

"This is fun," Ashley beams between shots. Almost everyone on the

set voices agreement, and the ones that don't are pretty much starstruck.

After the scene ends, Ashley is asked to head to the makeup room for a touchup. But my time here is done. My flight takes off in a few hours, back to Miami, Florida.

"Are you going now?" she asks as she dabs a towel to her brow.

"Not yet, but soon. I've got to grab my luggage, get to the airport, check in, all that, you know."

"Well, I hope I get to come to the studios in Florida sometime in the near future," she says.

One of the makeup artists is calling for Ashley to come over.

"You'd better get to her," I say.

"I will, I will."

Looking at my watch, I contemplate whether I can squeeze in a few more moments with her. I think that maybe I can grab my gear, then make one last stop on the set to say goodbye before heading out to the airport, but I'm not sure what her schedule is like for the rest of the day.

"How long do you think you're going to be here?" I say.

"I'm going to be here for a while."

She doesn't realize it, but truer words have never been spoken. Ashley Sage Ellison is going to be here for a while. In V-Mag, in our sister magazines, in DVDs and in our minds and hearts, and for as long as she wants. She's more than just what we see in a magazine. No doubt, she has a great set of tits, a wonderful ass and the face of an angel. We started calling her "The Ultimate V-Girl" around the office because she has everything we look for in a model. She's got the body of a fully-developed woman with curves spilling out all over.

But on the inside, she's still just a girl. Not just any girl either. She's the tender-hearted, sweeter-than-sugar one we always wanted to have when we were younger, the girl we fantasized about.

Now, with her first DVD released, the rest of the world is going to find out what I discovered during these few, far-too-short days in St. Martin. It was an amazing time. Even Karina Hart, who was here to shoot her newest video, was amazed by Ashley's amazing assets and charm.

"I'm not going anywhere just yet," Ashley says.

Please don't, Ashley. Please don't. 

**V-MAG
DEBUT**

**Lusty

**Daphne
Carter**

Sometimes, the biggest challenges are the ones that pay off in the end. A great example of that is debut darling Daphne. "I'm not what you'd call an easy girl," she said. "I'll make a guy work at trying to get in my pants. But once he does, he'll never want to leave."

Daphne has some strong opinions about sex. "I don't understand girls who just give it away," she said. "I love and enjoy sex, don't get me wrong. But if you just give it away, you mustn't value it that much." She laughed. "My pussy is a goldmine, and I'm not letting any tools near it until the miner has earned it."

Daphne is proof of the old adage about hard work leading to great rewards. "A guy told me he fantasized about doing it at the park," she said. "He turned out to be a good guy. When I decided to fuck him, I took him to a park at night, and we did it there." He'd made it to the promised land!

There's nothing better than a hearty breakfast to start your day. Unless, of course, it's served by a horny, busty babe like Kristy Klenot. "I love to roll over in bed and start sucking off my man while he's still sleeping. After he cums in my mouth, I like to make him a nice meal and fuck him again in the kitchen when he's done." With Kristy around, who needs breakfast? Her pussy will do just fine.

KITTY LEE: **HOSPITAL HUSSY**

When we approached Kitty Lee about starring in the DVD *Hooter Hospital*, the E-cup goddess jumped at the chance. "I've always had the candy striper/nurse fantasy," she said. "This movie gave me a chance to finally act on it. Wearing the sexy nurse outfit and taking care of a patient by turning him on and then getting him off gets my pussy sopping wet. I don't think I could be a nurse in real life because I'd be obsessed with having lots of sex with the men in my care."
